How It Works?

ATTACH

Chipolo to anything you don't want to lose Connect it to the free Chipolo app

RING

Chipolo from the app or double press it to ring your phone. Even if it's on silent.

FIND

your missing items. The app remembers when and where you last had them.

Voice Controlled

Chipolo With Voice Control On Google Assistant and Amazon Alexa : Just say what you're looking for and Chipolo will find it for you. All you need to do is install the Google Assistant or Amazon Alexa app and follow the simple steps to enable Chipolo for them.

Share your Chipolos

Share your Chipolos: Do you share your car keys with your loved ones? Just share your Chipolo with their Chipolo account and you'll both be able

Website App

Community Search: Find your lost items by tapping the "Mark as lost" button. When any Chipolo user comes near them, you will receive an updated location.

Community Search

WEBSITE APP : Looking for your phone but there's no Chipolos around? Simply log into the Chipolo website to check its location. Make it ring or send a message to its lock screen for anyone who finds it.

MARK YOUR ITEM AS LOST

When you lose your Chipolo and it's not within range of your phone, tap the "Mark as lost" button in the Chipolo app to send an anonymous signal to the community.

A USER PASSES BY

When one of the Chipolo community members passes by your lost item, their phone will record your lost Chipolo's new location.

YOU GET A NOTIFICATION

You will then receive an anonymous notification of your Chipolo's new location. It will be sent to the Chipolo app on your phone and to your email.
