New Silca Remote Car Key for Smart® VA2AR13

VA2AR13 - Front

VA2AR13 - Back

Silca is pleased to introduce a new reference for duplicating Smart® remote car keys, the perfect solution for replacing damaged or lost original keys, or to have a duplicate in case of emergency.

What are the main features?

The Silca Remote Car Key for Smart® VA2AR13 has a similar design as the original key and is supplied ready-to-programme with the PCB, transponder and blade included.

The key features three function buttons for locking and unlocking the doors and for boot release, and can be used on the vehicle model listed below. The key can be programmed with Advanced Diagnostics devices.

The Silca Remote Car Key for Smart® is packed individually in a plastic clamshell for easy identification and hook display.

CE   The Silca Remote Car Key for Smart® has been produced in conformity with CE mark European standards.
