

## New Silca Remote Car Key for Opel® HU100AR02

Silca is pleased to introduce a new reference for duplicating Opel® remote car keys, the perfect solution for replacing damaged or lost original keys, or to have a duplicate in case of emergency.

### What are the main features?

The Silca Remote Car Key for Opel® HU100AR02 has a similar design as the original key and is supplied ready-to-programme with the PCB, transponder and flip blade included.

The key features two function buttons for locking and unlocking the doors and can be used on the vehicle models listed below. The key can be programmed with Advanced Diagnostics devices.

The Silca Remote Car Key for Opel® is packed individually in a plastic clamshell for easy identification and hook display.

**CE** The Silca Remote Car Key for Opel® has been produced in conformity with CE mark European standards.
